# What is a National Contact Point (NCP) for?

**National structures** recognized by the EU that:

Raise **awareness** on H2020 opportunities

Organize **training** sessions

Offer assistance on **proposal writing**

Support in **partner search** (when relevant)

**Across** the different H2020 parts.

There are 22 official functions per country in:

## What is the ACCESS2EIC project?

Transnational CSA project awarded to 15 NCPs host organizations (on behalf of the entire EIC & A2RF NCP networks) to:

- **Identify and share good practices** in how to support applicants to access the EIC and A2RF programmes in H2020
- **Develop together useful tools for participants** that may simplify their access to EIC Pilot calls
- **Organize and deliver training** for the whole EIC & A2RF NCP networks community in relevant areas
